This warranty covers only the SteriPEN itself, including circuitry and lamp (other than breakage of the lamp), but does not include batteries that you provide to power your SteriPEN, or damage from the improper use or storage of such batteries.

The above warranty is complete and exclusive. Hydro-Photon, Inc. expressly disclaims liability for incidental or consequential damages of any nature. (Some states do not allow exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.) The above warranties are in lieu of all other warranties express or implied including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

This warranty gives you specific legal rights and you may have other rights which vary from state to state. As a condition to operation of your warranty, the owner must register their SteriPEN on line (<http://www.steripen.com/registration.html>). **BE SURE TO REGISTER YOUR STERIPEN ON LINE WITHIN 14 DAYS TO ACTIVATE YOUR LIMITED LIFETIME WARRANTY.**
